AccessMount Titan Elite: Full Articulation with Easy Movement

Tough and adaptable for any setting, the AccessMount Titan Elite ensures effortless flat panel or TV positioning with a safe, secure design. This mount lets you place your display exactly where it's needed, then easily stow it when not in use. Multiple pivot points offer smooth vertical and horizontal movement for ideal viewing angles and maximum space efficiency.

- Full articulation with ergonomic handle for easy adjustment.
- Tilts, swivels, and rotates to minimize glare and reduce neck, back, and eye strain.
- Mounts securely to walls or ceilings for use in the dental offices, operating rooms, emergency departments and other healthcare settings.

Features

- The AccessMount Titan Elite allows a monitor to be securely mounted from the ceiling or wall, pulled down when needed, then stowed up and out of the way
- Fingertip control and feather-light movement
- Easy-to-install cable management system
- Industry-leading range of motion
- Multiple pivot points, this arm enables vertical and horizontal adjustments
- Fully enclosed gas cylinders
- Powder-coated and anodized for long wear and easy cleaning
