

AccessMount Fixed Wall Mount: Easy-to-Install LCD Mount with Strong Support

The AccessMount Fixed Wall Mount supports LCD monitors up to 45 pounds. Not only does it secure heavy monitors and screens, but it offers a keyhole pattern wall bracket that facilitates easy monitor installation and removal. This solution is perfect for waiting rooms in healthcare or dental environments or anywhere you need to mount an oversized screen.

- Unit can be locked onto wall without the need for tools
- Enables quick installation and removal of LCD monitors
- Ideal for use in kiosks or trade show

Features

- Securely supports LCD monitors or screens up to 45 pounds
- Features a keyhole pattern wall bracket for easy installation and removal
- Ideal solution for waiting rooms in healthcare and dental environments, or anywhere an oversized screen is needed
- Useful for kiosks and trade shows exhibits
- Enables quick installation and removal of LCD monitors
- Used extensively by exhibitors because it allows the monitor to be shipped with an attached mounting plate
