

AccessMount Laptop Mount: Stowable Laptop Tray

With the AccessMount Laptop mount, you get an innovative solution that is ideal for a laptop sit-stand workstation. Enjoy enhanced ergonomic comfort and a generously sized tray that keeps your laptop stable, level and secure while you work. The laptop tray also features a mouse tray that slides out to either side. This mount's articulating arm is perfect as a sit-stand workstation as it's fully counter balanced, making lifting or lowering your laptop tray effortless. The unit stows into a compact 6" profile when not in use.

- Generous size fits most laptop computers. Space-saving profile.
- Ergonomic laptop tray adjusts to positive, neutral and negative tilt for maximum ergonomic benefit.
- Stows just 6.25" (15.9 cm) from the wall on an Ultra arm.

Features

- Mounts to multiple surfaces including walls, desks and poles
- Fold up and stow out of the way when not in use to maximize workspace
- Accommodates laptops up to 15" wide and 12" (30.5 cm) deep
- Mouse tray slides out to either side for added convenience
- Strong and durable mount supports up to 45 lbs (20 kg)
- Machined from billet aluminum and powder coated in gloss white for a durable, lasting finish
- Hand-assembled to ensure high product quality
- Available in 3 standard colors or 7 custom colors
