AccessMount 5220 ICW: Double Arm Workstation with Industry-Leading Reach

The AccessMount 5220 ICW mount is an exceptional ergonomic solution offering industry-leading reach, smooth articulation and solid support. Regardless of your height and whether you'd prefer to sit or stand, this mount will accommodate either option as a true sit-stand workstation. When the workstation isn't in use, it's quick and simple to stow into a compact profile, freeing up valuable space. Additionally, the workstation's slick powder coat finish and internal cable management makes cleaning and disinfection a breeze to maintain a hygienic environment.

- Best-selling mount features the longest horizontal reach in the dental and healthcare industries, extending up to 68”
- Allows users to easily find the most comfortable working position
- Quick and simple to stow into a compact profile when not in use, freeing up valuable floor space
- Excels in a wide variety of applications
