

AccessMount 5120 ICW: Versatile Single Arm Workstation Mount

The AccessMount 5120 ICW provides effortless adjustability and optimal viewing angles to help reduce strain on the neck, back and eyes. This true sit-stand workstation's counter-balanced design allows for easy movement in any direction while its internal cable management gives it a neater appearance and simplifies cleaning. The workstation is an excellent choice for promoting ergonomic comfort, productivity and maintaining an organized workspace in both medical and dental environments.

- Counter-balanced design allows for easy movement in any direction
- Internal cable management for a neat appearance and simplified cleaning
- Promotes ergonomic comfort and productivity
- Maintains an organized workspace
