AccessMount GX Series: Compact, Secure and Versatile Solution

The AccessMount GX Series delivers compact, secure monitor mounting solutions for busy clinical spaces. With two low-profile options—170 ICW and 270 ICW—you get flexibility to match your space and workflow needs. Both mounts feature durable construction, smooth adjustability, and easy-to-clean finishes to help maintain efficiency without sacrificing space.

- Choose the setup that fits your space—low-profile or extended reach
- Easily position your screen for better visibility and comfort
- Keep work areas clean and uncluttered with a compact design
- Built for daily use in demanding clinical environments
- Mounts easily to wall tracks for added flexibility

Features

- Compact, low-profile wall mounts
- Two options: fixed (170 ICW) or extended reach (270 ICW)
