

medDispense® C series EDU Automated Dispensing Cabinet

TouchPoint Medical provides cost-effective access to high-quality products for students working in simulation labs, enabling faculty and staff to create impactful teaching experiences that prepare our future healthcare heroes for success.

- The unit has 6 standard drawers 83.3mm (3.28in) wide, 9 double wide drawers 188mm (7.4in) wide, 1 matrix drawer, and bulk storage on the bottom of the unit.
- Each drawer can be configured to hold up to 7 different line items or 1 controlled substance, the same as a typical hospital unit.
- This C series Educational Unit has preloaded simulation software which can be modified as your needs change.
