Flagship Brands, TouchPoint Medical and iTD*

ODESSA, Fla. – FEBRUARY 20, 2020 – TouchPoint Healthcare today announced the official grand opening of its new global headquarters in Odessa, Florida. The new facility is a state-of-the-art global operation and home to both of TouchPoint Healthcare's two businesses, TouchPoint Medical and iTD.

TouchPoint Healthcare makes medical equipment that mobilizes medical technology, manages medication dispensing and creates more efficient and safe environments for healthcare facilities around the world. By consolidating operations under one roof with ISO 13485 quality system certification, the company will be able to increase manufacturing efficiency and further drive quality, collaboration and innovation. Additionally, the new facility will be an outstanding place to host customers and business partners for both product training and collaborative product development opportunities.

"We are thrilled to move into our new TouchPoint Healthcare global headquarters in Odessa," said Pascal Testeil, President of TouchPoint Healthcare. "This state-of-the-art facility is home to both our TouchPoint Medical and iTD US businesses, which will allow us to increase our collaboration and innovation between the two healthcare companies. At TouchPoint Healthcare, our passion for creating customer value, promoting employee development and our commitment to unquestionable integrity will enable long-term growth in the years to come here in Pasco County."
