

## Elite Series of Sit-Stand Workstations

*Inverted monitor workstation fits into tight spaces and easily adjusts for ergonomic comfort*

### ELITE 5220

*Industry-leading reach of up to 74" (188 cm)*

- **ERGONOMIC.** Provides effortless movement and is fully adjustable at each joint for maximum ergonomic comfort. Rotates 180° at the wall mount.
- **HYGIENIC.** Durable, easy-to-clean finish withstands harsh chemicals. Built with smooth aircraft-grade aluminum that doesn't allow microorganisms to hide. Concealed cables allow for thorough disinfection.
- **VERSATILE.** Suitable for a monitor only, monitor and keyboard, and other devices. Can be mounted on a desk, pole, wall or wall track.
- **POPULAR** in healthcare environments and manufacturing/industrial settings where long reach is needed.

### ELITE 5216

*Compact. Ergonomic. Hygienic. Versatile.*

- **COMPACT.** Ideal for space-constrained areas. Extends a monitor and keyboard up to 69" (175 cm), then stows compactly against the wall.
- **ERGONOMIC.** Provides effortless movement and is fully adjustable at each joint for maximum ergonomic comfort. Rotates 180° at the wall mount.
- **HYGIENIC.** Full cable management allows for thorough disinfection, protects wires, and creates a neater appearance.
- **VERSATILE.** Excels in a wide variety of applications. Can be mounted on a desk, pole, wall or wall track.
