

Optimize Care in Pediatrics / Labor & Delivery

Patient Centric Care

Outfit your labor and delivery or pediatric rooms with mounts that keep essential technology within reach while maintaining a peaceful, patient focused environment.

Streamlined and Accessible

Our mobile workstations and medication dispensing models ensure supplies, medications, and technology are always accessible, fostering efficiency and empowering staff.

Simplified Compliance

Safety is of utmost importance in labor, delivery, and pediatric facilities. Upgrade to cleanable, durable, and easy to disinfect surfaces to enhance patient and staff well-being.

Maximize patient care by empowering caregivers and creating calming, accessible environments.

TouchPoint Medical's innovative solutions streamline workflows by keeping essential technology within reach and enhancing efficiency. Our mounts, mobile workstations, and cleanable, durable surfaces foster calm, hygienic environments that prioritize safety and deliver better outcomes for patients and staff.

BRINGING CARE FORWARD.™
