

Developing customer-driven solutions that advance healthcare professionals' delivery of care.

## Who We Are

At TouchPoint Medical, we are committed to developing customer-driven solutions that improve patient outcomes and expand access to healthcare. We are a global provider of patient-centric and workflow-optimized point of care and medication management solutions and white-glove services to thousands of hospitals and health care facilities around the world. Our goal is simple. We offer our customers intuitive, reliable, and affordable solutions so that they can be equipped to care—in spaces equipped for care.

### Vision

To be a leading and trusted global partner who helps enable safe, secure and efficient work environments for patients and caregivers.

### Mission

To partner with medical technology and healthcare providers to develop innovative healthcare solutions. We will maintain a customer-driven mindset to help enable a safe and efficient delivery of medical technology, information technology and medication management. Together, we will drive operational and customer excellence.

### Core Values

Our company culture is cultivated around our Core Values. These seven Core Values underpin everything we do: Integrity, Passion, Openness, Growth, Diversity, Commitment and Results.

# A GLOBAL BUSINESS WITH A LOCAL TOUCH

TouchPoint Medical brings a global network of manufacturing, quality, and engineering to the forefront of the medical industry. From quality and performance, to aesthetics and ergonomics, we know small touches make a big difference to our customers. We provide customer-driven medical technology and service solutions to thousands of hospitals and health care facilities around the world.
