Proposition 65 Statement

Dear Customer,

You may be aware of the Safe Drinking Water and Toxic Enforcement Act of 1986, more commonly referred to as “Proposition 65” which requires businesses to provide warnings to Californians about significant exposures to chemicals that cause cancer, birth defects or other reproductive harm.

The list of chemicals on the Proposition 65 list is a wide range of naturally occurring and synthetic chemicals that include additives or ingredients in pesticides, common household products, food, drugs, dyes, or solvents. These chemicals may also be used in manufacturing and construction or may be a byproduct of chemical processes. By law, a warning must be given for listed chemicals unless the exposure is low enough to pose no significant risk of cancer or is significantly below levels observed to cause birth defects or other reproductive harm. The entire list, as of March 8, 2019 can be found here:

TouchPoint Medical and iTD are dedicated to serving customers by providing safe, secure, and efficient environments for patients and caregivers that meet environmental regulations including Proposition 65. As per 25249.5 of Chapter 6.6 added by Proposition 65, 1986 General Election (Safe Drinking Water and Toxic Enforcement Act of 1986 for Proposition 65 Compliance) no substances from any products of TouchPoint Medical knowingly discharge or release a chemical known to cause cancer or reproductive toxicity into water or onto or into land where such chemical passes or probably will pass into any source of drinking water, notwithstanding any other provision or authorization of law except as provided in Section 25249.9.

Note:

- We prepared this letter based on information from our suppliers.
- No attempt has been made to verify this information by a third-party analysis.
- We will update this letter if some new information is brought to our attention.
- We can not warrantee our parts for Proposition 65 Compliance after they have been further processed by our customers, third parties or stored for a long length of time in uncontrolled environments.

Sincerely,

A handwritten signature in blue ink that reads 'Jessi Cravens'.

Jessi Cravens
Operations Director
